# Gourav Patidar

**Masters of Computer Applications**
National Institute of Technology, Raipur

gouravpatidar208@gmail.com / +91-9575929021
gouravp1107 / Gourav Patidar

## Summary

Full-Stack Developer with hands-on experience in building responsive and user-friendly web applications. Skilled in frontend development, backend systems, REST APIs, and database management, with practical experience in computer vision applications. Strong foundation in programming, object-oriented programming, and software engineering, with a focus on problem-solving and writing clean, efficient code.

## Education

- **MCA (Master of Computer Applications), NIT Raipur** (CGPA: 7.60/10.0) *(30'july'24 – 28'june'27)*
- **B.Sc. (Bachelor of Science), DAVV, Indore** (CGPA: 8.70/10.0) *(02'july'21 – 27'june'24)*
- **Class 12, Board of Secondary Education, Madhya Pradesh** (Percentage: 82.8) *(27'july'2020)*

## Key Projects

- **Waste Wise - AI Food Waste Detection System** | Self Project *(07'June'26 – 2'Aug'26)*
  - Developed a computer vision system using Python, YOLOv11, Ultralytics, and OpenCV to detect and identify food waste from images and video streams.
  - Implemented real-time object detection and classification using YOLOv11 to automatically identify food waste objects and process detection results efficiently.
  - Built an interactive Streamlit dashboard using Pandas and NumPy to visualize detection results, analyze collected data, and generate food waste insights.
- **Utsav Showroom - Makeup Academy & Rental Showroom** | Live Website | Self Project *(16'Jan'26 – 27'Feb'26)*
  - Developed a full-stack platform for beauty services, makeup courses, and fashion rentals using React.js, Node.js, Express.js, and MongoDB, with dedicated modules for services, courses, and rental products.
  - Built RESTful APIs with JWT authentication and bcrypt password hashing to provide secure user access, appointment booking, course enrollment, and account management.
  - Implemented inventory and rental management using MongoDB and Mongoose to track product availability, rental bookings, and booking status throughout the rental lifecycle.
- **Vivah Trousseau - Wedding Fashion Rental Platform** | Live Website | Self Project *(01'Feb'26 – 06'Mar'26)*
  - Developed a full-stack wedding fashion rental platform using the MERN stack for browsing and renting bridal wear, groom's outfits, jewellery, and other wedding accessories.
  - Designed and integrated REST APIs for product discovery, rental bookings, user management, and inventory operations with JWT-based authentication for secure access.
  - Implemented MongoDB and Mongoose-based inventory tracking to maintain real-time product availability and manage products throughout the rental and booking lifecycle.

## Positions of Responsibility

- **Teaching Assistant :** Taught Java, CPP, Python, HTML, CSS, Git & GitHub. *(Aug '22 – Dec'22)*
- **Teaching Assistant :** Assisted students with Basic Data Structures and Operating Systems *(Jul '23 – Aug '23)*
- **Teaching Assistant :** Guided students in Software Engineering and Python fundamentals. *(Jan '24 – Mar'24)*
- **Student Guide| Khargone M.P :-** Guided students on coding, careers, and competitive exams. *( Oct'23 – Jan'24 )*

## Skills and Relevant Courses

- **Languages:** Java, C++, Python, JavaScript , SQL, EJS
- **AI/ML computer Vision:** YOLO11n, OpenCV, Ultralytics
- **Frameworks & Libraries:** Pandas, Numpy
- **Frontend:** HTML, CSS, React.js, Tailwind CSS
- **Backend:** Node.js, Express.js, REST API
- **Database:** MySql, MongoDB
- **Core:** OOPS, DBMS
- **Tools:** Git, GitHub, Cursor, AI coding assistants, Copilot, Jetbrains, VS Code, Hoppscotch, Postman, Vercel, Railway
- **Non Technical Skills:** Problem-Solving, Analytical Thinking, Team Collaboration, Adaptability, Continuous Learning

## Achievements

- Received **All India Rank 767** in NIMCET 2024 , **25,000+** candidates appeared for the examination.
- **Microsoft - Get Started with Copilot in Power BI** | View Certificate *(June 2025)*
- **Google - Introduction to Generative AI Studio** | View Certificate *(July 2025)*
- **Simplilearn SkillUp - Introduction to MS Excel** | View Certificate *(Nov 2025)*
